

Indiana Recorders Association – 2017 State Called Conference

A JOURNEY THROUGH TIME...

The Executive Board of the Indiana Recorders Association along with State Board of Accounts, requests your presence at the 2017 Indiana Recorder's Association State Called Meeting, being held April 18-20, 2017.

We have been planning a conference “jam packed” with a great line-up of speakers, awesome educational opportunities, good food and great fun and fellowship!

Our conference will be held at the Clarion Hotel & Conference Center at 2480 Jonathan Moore Pike, in Columbus, IN. The hotel is located right off of I-65 on S.R. 46.

Our theme this year is “A Journey Through Time”, where we will take a look at yesterday, today & tomorrow!

We are planning an evening of fun with appetizers on Monday night (4/17/17) for those of you that arrive early. On Tuesday, we will have a full day of education sponsored by the IRA, including a training team from the University of Tennessee, a Labor & Employment expert from an Indianapolis Law Firm, a team building workshop, and a keynote speaker you don't want to miss! Wednesday is reserved for State Board of Accounts, who plan to educate us on fees, legislative changes, record retention, public access and bank reconciliations.

We are excited to announce that on Wednesday we will be hosting our 1st ever “Past Presidents Luncheon”, where we will reconnect with and honor the Past Presidents of the IRA.

If that's not enough...Wednesday night's banquet will go down in history as a memorable night when you show up to the banquet in your favorite era of attire! Yes, you heard that right....we expect flappers, hippies, colonials, cowboys, hip/hop's, 50's, stone-age, disco, or whatever your favorite place in time might be! **DRESS ACCORDING TO THAT TIME**, as we celebrate our Journey Through Time!

After our banquet, everyone is invited to enjoy bingo & beverages, hosted by a generous recording vendor!

Registration forms are available on our new website @ Indianarecorders.org. Make your hotel reservations by 3/18/17 and don't forget to mention the IRA for our super low rate of \$89.00/night.

You will be receiving the conference agenda soon, so stay tuned!
